UMPIRE ASSESSMENT / WATCHING FOR LEVEL 1 CANDIDATES

The Ladies League are prepared to trial for next season the following:-

L1 Candidates who need to be assessed/watched for their L1 having, under normal circumstances, done their 3 games previously, may be allowed to umpire a Ladies League game, mostly in the lower divisions. However, potential L1 umpires MUST clear this with the Ladies League Secretary (who is also Ladies Umpire Appointments Secretary) BEFORE making any arrangement with any of their appropriate Club Teams in the Ladies League.

Potential Umpires, who are not affiliated to a Ladies Team, or who do not have a suitable Ladies League Team to use for a L1 watching, will be assisted to try to find a game by the Ladies League Secretary (who is also the Ladies Umpire Appointments Secretary).

Any unauthorised assessment/watching on a League game could well incur a point penalty to the Ladies League Team used and cause the trial to be suspended by the Ladies League Secretary.

Action Needed:-

KHU: L1 Course Leaders, L1 Co-Ordinators and Assessors need this information (in print) before season starts.

League Secretary: League Secretary to notify Clubs/Team Captains
